We are outdoors the whole camp, so please take enough warm weatherproof clothes with you. Everyone will also sleep outdoors in tents, so please take enough warm clothes for the nights also! You don't need to bring your own tent, everyone will sleep in our troop's tents.

You can take a small amount of candy or something similar (max 300g). Other snacks or foods are not allowed. We will provide tasty camp meals for everyone. In previous camps there has been a lot of hassle with participants' own snacks and foods.

Cell phones are allowed but please remember that we have a lot of activities when phones are not needed. We kindly ask that parents primarily contact the camp leader first rather than the child. This usually lessens the homesickness. In case of homesickness it is better to talk with leaders and find solutions together rather than talk only with the parent.
