The event will end at Kivalahti on Sunday 13th at 2 PM, and we will come back to Mankkaa by carpooling with parents.

Sunday we will also have a party for our 30th year celebration where family members are invited. Event will last from 11 AM to 2 PM. Lunch and coffee will be served at 11 AM and the rest of the celebration will be various scout activities for everyone.

The camp is free thanks to last year's successful Advent calendar sale.

The necessary camping equipment includes a scout scarf, a sleeping bag, a sleeping pad, cutlery (plastic plate, mug, spoon, fork, knife), outdoor and indoor clothing, a flashlight, toiletries, and a notebook. You can also take a knife (puukko) and a compass if you have those. We will spend a lot of time outside and it's cold in October, so please take enough warm weatherproof clothes with you.

If you want, you can bring a small amount of candy or other treats (max 150 g).

Cub Scouts will sleep indoors. Older scouts will sleep the first night indoors and second night in a tent (stove warming if needed).
